### TREE LEGACY PROGRAM

*Trees are one of the most enduring symbols of life. A Legacy Tree provides a lasting tribute to remember special people and occasions. Trees are a living gift which add beauty to the Little Rock Zoo and offer shelter, comfort, and pleasure for years to come. Give a gift that will last for generations, a gift that keeps on giving season after season.*

*Because trees are living specimens, the Little Rock Zoo will guarantee a replacement or substitute tree if your designated tree dies or has to be removed within five (5) years of the purchase date.*
