Welcome to the Little Rock Zoo

We are dedicated to animal care and conservation. Your zoo is a fun place where you can learn to love all living things.

We are members of the Association of Zoos and Aquariums. We are also involved in important AZA conservation projects.

Every dollar spent at the zoo goes directly to the café of our animals. It also helps the zoo fund AZA projects that save wildlife.

Did you know? With a Little Rock Zoo Membership you get: FREE admission all year, PLUS great extra discounts.

APPLY today's admission toward a membership. Just take your receipt to the gift shop!

Zoo memberships support our animals, and the great conservation work of AZA zoos.

Thank you for being our guest!

Where are the Animals?

Look Closely

Zoo animals are still wild, and they do what comes naturally. If you don't see an animal right away, take a moment. It may be hiding, blending in or resting in its den.

HIDING

BLENDING

RESTING

At times animals must be "off exhibit". This is due to the weather, animals' needs or general upkeep. Please pardon the inconvenience.

FOLLOW ZOO RULES

- Fences and walls are for your safety; crossing them is not allowed.
- Do not throw food or anything into animal's spaces. It harms them.
- Do not run. It is a danger signal that stresses the animals.
- Yelling and loud noises upset the animals. Speak at a normal volume.
- Report anyone disturbing an animal to zoo staff.
- Place trash in the waste cans and recycling bins.
- Respect and protect the animals and their homes.
- Use only public walkways.

How can you help the Little Rock Zoo?

WALK:

Secure your spot on our walk of fame at the Zoo's front plaza! Choose from two brick sizes: 4 x 8 for \$250 or 8 x 8 for \$500.

SIT:

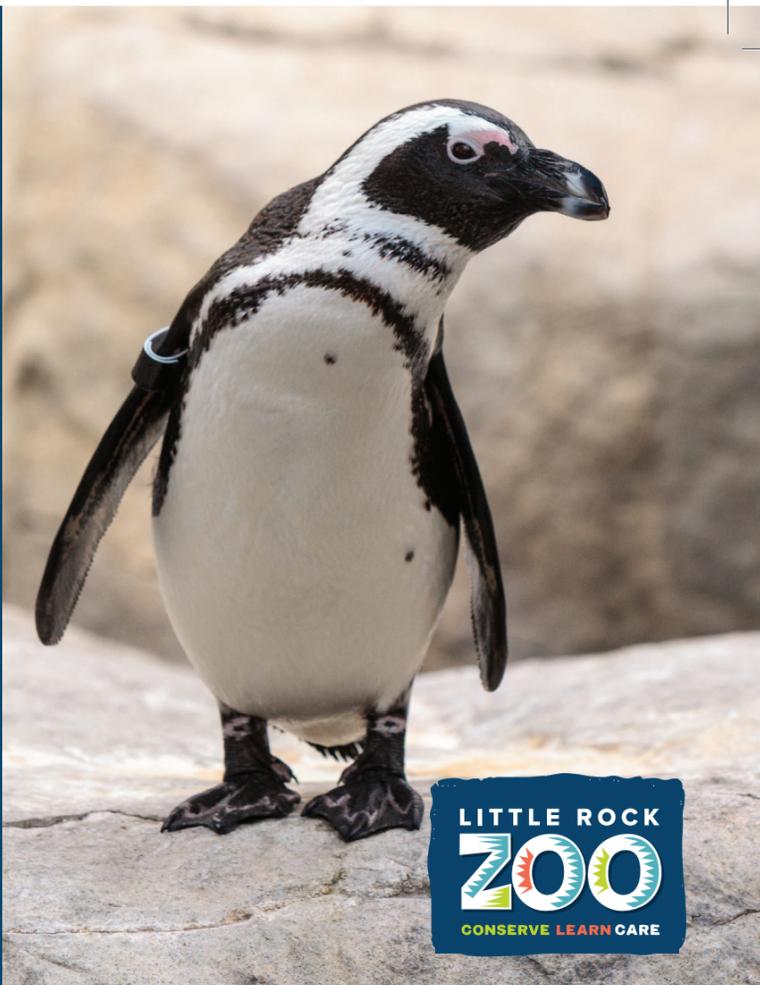

Purchase a bench to honor your family, friends, business or a special occasion. \$1,500 per bench. Make your message stand out on our engraved bench which features 2" high recessed letters. Made of 100% recycled materials.

GROW:

Provide shade for the future. Watch your personalized legacy tree grow and stand tall when you plant a tree. Choose an existing tree for \$1,000 or provide a new tree for \$2,000.
