Winter brings many challenges for the wildlife around us. Fortunately, they have strategies to help them survive. If you have ever wondered how different species find food and shelter in a winter wonderland, this is the camp for you.	Fly, leap and swim with us through the Amazon Rainforest! We will explore the sights and sounds of plants and animals living within this special ecosystem and even learn about other types of rainforests found across the globe.	Name that bear as you put your detective skills to the test and uncover the identity of different bears by comparing tracks, pelts and other clues. Plus, you'll learn about many of the different places around the world where bears can survive.	Come chill with the amazing animals that live in the icy tundra. Campers will learn about the amazing adaptations that help a variety of creatures survive in the frozen lands that they call home.	Have a roaring good time! From otters to ocelots, come meet the fascinating small carnivores found throughout the Zoo. Incredible adventures about these stealthy animals abound and you can experience them all in this camp!

# Scholarship Information

Thanks to the generosity of the McLarty Auto Group, scholarships are available for camp. Here are the guidelines:

- Prospective camper must have participated in the National School Lunch Program (free/reduced meals) or received financial aid related to their schooling during the semester before the start of camp or during the semester when the camps dates scheduled
- Completion of the form does not guarantee entry into a camp
- A scholarship may only be applied towards registration for a camper age 5-11yrs
- A \$5 payment per camp is required with the scholarship covering the rest of the cost of camp registration
- Scholarships will not cover any additional services such as early drop-off and late pick-up (if available, those services may be purchased for an additional fee)
- A maximum of two scholarships may be awarded per camper for the current season of Zoofari Camp
- No more than two scholarships may be awarded per household
